

Technical Fact Sheet

3M Fasara Reflect Hairline

3M™ FASARA™ Glass Finishes are decorative glass finishes available in 50+ designs. These decorative finishes can be used to control light and privacy while enhancing interiors aesthetics. FASARA provides the advantages of etched, cut, sandblasted, and textured glass at a fraction of the cost.

Features

- Designed to diffuse light through glass with a textured embossed surface pattern
- Developed to let in more natural light while maintaining a level of privacy
- Available in a variety of patterned surface textures in clear or neutral colors
- Helps block at least 99% of UV light, helping reduce the discolouration of furniture and other items
