3M Fasara Natural

<div>The 3M Fasara Natural Series delivers the look and feel of natural textured glass to your fingertips, the new Natural patterns capture the optically organic essence of the outdoors and bring it into your space. From the enhanced textures reflected in 3M's 'Washi' finishes to the essence of stone created by the speciality matte finishes, the new range of 3M™ FASARA™ Glass Films will add a true sense of nature and other unique surfaces to your space while beautifully expressing light and shadow. With an unparalleled tactile finish, 3M™ FASARA™ Glass Film adds light and transparency while delivering a true depth of color, including a rich deep black.</div>

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.

Technical Fact Sheet
