

Technical Fact Sheet

3M Fasara

3M FASARA Glass Finishes are decorative glass finishes available in over 50 designs. These decorative glass finishes can be used to control light and privacy while enhancing interiors aesthetics. 3M FASARA glass finishes transforms plain glass into a variety of finishes such as etched, cut, sandblasted and even textured glass at a fraction of the cost. Ideal for use in offices, hotels, retail, restaurants and healthcare environments. They are perfect for privacy and decorative applications on glass and windows. Glass finishes can be used as communication media, can be decorated and can be used to separate public and private spaces.
