

Technical Fact Sheet

Hahnemühle Photo Rag® Ultra Smooth 308

Hahnemühle Photo Rag® Ultra Smooth, another addition to the Photo Rag® family, is an especially smooth and silky soft paper for high-quality FineArt inkjet printing. The white cotton art paper has a discreet, very finely textured surface with a strikingly silky feel. The matt premium inkjet coating guarantees extraordinary print results with impressive reproduction of colour, detail and very deep black. Photo Rag® Ultra Smooth is versatile and produces impressive results for FineArt photography as well as art reproductions. The acid- and lignin-free all-rounder meets the most exacting requirements in terms of age resistance and is perfect for high-quality black and white FineArt prints.
