

Technical Fact Sheet

Hahnemuhle Agave

Hahnemuhle Agave augments the Natural Line with a Fine Art inkjet paper that is produced using agave fibres. 70% of this unique, environmentally friendly Fine Art inkjet paper is made from sisal fibres. The base material stands out with its bright white natural tone and does not contain optical brighteners. The rough, yet delicately defined surface texture gives the subject a captivating sense of depth and impresses with a pleasant, soft feel. The matt premium inkjet coating guarantees outstanding print results with excellent reproduction of colour and detail, deep black and optimum contrasts. Hahnemuhle Agave is acid- and lignin-free and meets the most exacting requirements in terms of age resistance. The combination of unique raw fibre materials, bright white natural tone, balanced surface texture and the customary high print quality makes it an exclusive, versatile Fine Art inkjet paper. Available in Sheets and Rolls
