

Technical Fact Sheet

Hahnemühle Photo Rag Bright White

Hahnemühle Photo Rag® Bright White is a bright white cotton art paper with an inkjet coating specially tailored for FineArt printing. The lightly defined felt structure and characteristic soft Photo Rag® feel gives every FineArt print an incredible depth and three-dimensional appearance. Combined with the matt premium inkjet coating, this produces impressive FineArt prints boasting vivid colours, deep blacks and extraordinary reproduction of detail. The bright white of the paper also creates particularly brilliant results for high contrast images. The acid- and lignin-free Photo Rag® Bright White meets the most exacting requirements for age resistance and is perfect for reproducing FineArt photographs and works of art.
