

Technical Fact Sheet

Neschen Easy Dot PET

Easy dot® PET matt L-UV is a printable, self-adhesive film. It has a matt white surface for excellent printing quality. The PVC-free film uses proven easy dot® technology. This makes it very easy to apply bubble-free, and -if required- it can be detached again. The adhesive technology makes repositioning very easy. easy dot® PET matt L-UV is ideal for smooth substrates indoors and outdoors. The product has been developed especially for use at trade fairs, for sales, and promotions.

Features

- PVC-free and shrink free
- easy dot® adhesive technology
- Up to 40% less material than standard PVC film
- Excellent printing quality
- Easy to apply with no bubbles
- Can be removed without residues
