

Technical Fact Sheet

Brett Martin Foamalux PVC

Foamalux White is our premium choice foam PVC sheet. Its bright white formulation, greater stiffness and surface properties make it suitable for a wide range of printing and design applications. The finely balanced blend of pigments combined with its smooth, flat and flawless surface provide a consistent, clean, crisp printing surface resulting in photographic print clarity.

Features

- Excellent fabrication capability for 3D displays
- Flat rigid sheet with greater stiffness
- Bright white colour formulation
- Excellent colour reproduction
- Consistent silky smooth matt surface
- Outstanding, photographic print quality

Technical Fact Sheet

- Easy to clean
- Indoor or short term outdoor use

Application Text

- POS and 3D displays
- Shop fitting
