

Technical Fact Sheet

Neschen Performance Wallpaper

Neschen performance wallpaper classic is a textured, PVC- and solvent- free non-woven wallpaper. It is ideal for individual interior design, such as in shopping malls, trade fairs or museums. Photorealistic prints are further enhanced by the structure of the wallpaper. After printing, the wallpaper is resistant to washing and abrasion and thus suitable for long-term use.

Features

- PVC- and solvent-free wallpaper
- Printable with photorealistic print quality
- For individual design of interiors such as shop-in-shops
- The structure creates a velvety print result
- Perfect for LFP, minimal seams
- The print is enhanced by the texture

Technical Fact Sheet

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.

Print Process
