

Technical Fact Sheet

3M Paint Protection Film Series 100 15m

The 3M Paint Protection Film Series 100 Gloss offers an easy installation experience for you, at a great value that will meet your customers specific needs. Rocks, bugs, sand, keys, salt, and even the sun's rays can damage your car's paint. Protect your vehicle with 3M Paint Protection Films. Get it professionally applied to high-impact, vulnerable areas of your vehicle.
