

Technical Fact Sheet

Brillante White Felt UWS WG

Brillante White Felt 30% PCW Ultra WS is a premium felt-marked paper label stock designed for high-quality wine, spirit, and craft beer labels. Made with 30% post-consumer recycled fibers and treated with an advanced ULTRA WS treatment, it combines sustainability with outstanding performance, even in demanding wet and chilled conditions. FSC® certified, this stock not only elevates product presentation but also supports environmentally responsible packaging.
