## Neschen PET Silver Gold Chrome

Neschen PET Silver Gold Chrome is a printable, gold or silver colored through-dyed, self-adhesive polymeric film. It is slightly translucent, has a glossy surface and is characterized by very good shrink resistance. The film features the proven easy dot® adhesive technology. It is therefore very easy to apply and can also be removed again if necessary. The adhesive technology ensures easy repositioning. Neschen PET Silver Gold Chrome is ideal for smooth surfaces indoors and outdoors. Any shapes and letters can be plotted or die-cut from the film. It is also suitable for application to shop window interiors by plotting or die-cutting the motif in mirror image.
