

Technical Fact Sheet

Splendorgel Vellum FSC (S)

Splendorgel Vellum is a premium wood-free, uncoated paper and board range, ECF and FSC® certified. Its crisp Extra White shade offers a clean, contemporary finish with excellent opacity and surface clarity. Ideal for text, imagery, packaging, and illustration, it suits all print and post-print processes, and performs beautifully with folding and binding. Elegant, versatile, and reliable for any creative project.
