

Technical Fact Sheet

3M Spray Adhesive 76 & 77

3M™ Super 77™ Multipurpose Spray Adhesive is a fast-drying, versatile adhesive designed for strong, permanent bonding of lightweight materials. Manufactured by 3M, it delivers high initial tack with repositioning time for accurate placement and a clean, low-soak finish. Ideal for home, office, and craft use, it bonds materials such as fabric, foam, paper, wood, and plastics, making it suitable for repairs, mounting, decorating, and general-purpose applications.
