

Technical Fact Sheet

3M Di-Noc Stone

3M™ DI-NOC™ Architectural Finishes are interior finishes that can help you quickly remodel and reuse new or existing surfaces with nearly 900+ patterns, all while limiting material and labor costs, downtime and construction waste. Available for a wide range of applications, these on-trend design finishes can be applied to interior surfaces such as walls, columns, doors and cabinets, including complex curved (3D) surfaces. 3M™ Comply™ Adhesive technology virtually eliminates air bubbles, simplifying and speeding up the application process.
