

Technical Fact Sheet

Manter Embossed Coated Linen

Manter Embossed Coated Linen is a clay-coated embossed paper with a distinctive linen-effect surface finish, offering excellent printability for vibrant offset and digital reproduction. Delivering a tactile premium feel, it is ideal for luxury packaging, high-end cosmetic and retail applications, and premium stationery.

Application Text

Produced for wine label production, where a subtle linen embossing is required to complement the label design. Suitable for ice-buckets and wet condensation environments.
