

Technical Fact Sheet

Knifeless Design Line Tape

Knifeless Design Line Tape enables clean, precise vinyl cuts for complex designs without blade contact, eliminating the risk of substrate damage in vehicle wrap and sign applications. Compatible with cast and calendared vinyl films and available in rolls, it is ideal for vehicle wraps, complex vinyl designs, and precision sign making.

Features

- Create striping, accents and designs that rival using a knife or plotter
- Patented design stretches slightly and turns easily in any direction for one-of-a-kind works of art
- Tape can be broken with hands for faster application
- Use for single layer vinyl applications
