

Technical Fact Sheet

Drink Coaster/Perfume Board FSC (S)

Drink Coaster Board FSC is an FSC-certified specialty board for printed drink coasters and perfume strip applications. With an absorbent printable surface, ECF pulp construction, and excellent offset and digital printability, it is ideal for FSC-certified promotional coasters, perfume strips, and specialty print applications.

Features

- High level of absorbency and bulk
- Perfect for multi-colour drink coasters
- Ideal for use as fragrance/air-freshener boards
- FSC® Certified (licensed code FSC® C010628)
- Suitable for letterpress

Application Text

- Air-fresheners
- Fragrance boards
- Multi-colour drink coasters

Printing Tips

This product is suitable for offset printing, although it has much higher absorbency and lower strength properties than normal offset papers. Use minimal dampening and colours to avoid wetting the sheet. As the sheet becomes wetter, it may delaminate – so care should be taken.
