

Technical Fact Sheet

Bauhaus True Rag Etching 310

Bauhaus True Rag Etching 310 is an archival, lightly textured, 100% cotton, etching paper with no optical brighteners. With the luxurious texture of a traditional etching paper and the natural white surface, you have the perfect combination for fine art reproductions and photographs in all hues. The weight is ideal for handling and framing and the surface has a high, water resistance that can reproduce a huge colour gamut. Meets criteria for permanence according to ISO 9706.

Application Text

- Professional photography
- High-end photo prints
- Portfolio folders
- Exhibitions
- Art reproduction
