

Technical Fact Sheet

Bauhaus Photo Metallic Warm White 260

Bauhaus Photo Metallic Warm White is a unique, micro porous, resin coated photo paper with a high gloss, warm white, pearlescent metallic effect. Excellent black density and a huge colour gamut. Quick drying and wipe fast, offering high moisture resistance. High batch to batch stability due to stringent quality control. Perfect for mounting behind high quality acrylic.

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
