

Technical Fact Sheet

Bauhaus Photopaper Matt 200

Bauhaus Photo Satin Heavyweight is a microporous, premium, resin coated photo paper with a lustre finish offering the look and feel of a traditional silver halide photo paper. This is a super white, lustre paper specifically designed for high quality professional photographic output and is exceptional for both colour and black & white prints. The unique stipple offers perfect sharpness and precision with little to no reflection. This is quick drying with high batch consistency.

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
