

Technical Fact Sheet

Breathing Color Lyve Canvas

With eye-popping colour gamut and dmax, coupled with critical archival certification, the Lyve Canvas sets a new standard of exceptionalism in fine art and photographic printmaking. Bright white, consistent poly- cotton blend matt canvas using an acid-free, neutral pH coating. Featuring the highest archivability of any Breathing Color canvas, The Fine Art Trade Guild awarded Lyve the exclusive Blue Wool certification for 100 years display life.
