

Technical Fact Sheet

Breathing Color Crystalline Satin Canvas

Breathing Color Crystalline Satin Canvas is a premium 440gsm aqueous inkjet canvas designed for high-end fine art and photographic reproduction. The bright white satin surface delivers exceptional colour gamut and black density while remaining OBA-free for long-term colour stability. Its durable poly-cotton base resists scuffing and water damage, and prints can be stretched immediately without varnish, making it ideal for gallery wraps, art reproductions and professional photographic displays.

Features

- Aqueous (PK-Required)
- Poly/Cotton Blend
- NO-LAM
- Certified for 55+ years display life with no coating
- Certified 75+ years when paired with Timeless or Glamour 2
- OBA Free

Technical Fact Sheet

- Made in the USA

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
