

Technical Fact Sheet

Breathing Color Elegance Velvet

Breathing Color Elegance Velvet is a premium 300gsm fine art paper made from 100% cotton rag with a bright white matte surface and a soft velvet-like texture. The mould-made archival paper is acid- and lignin-free and certified for long-term display life, making it suitable for professional giclée printing, photographic reproductions and gallery-quality art prints. Its discreet texture captures fine detail while delivering vibrant colours and deep blacks for high-end fine art output.

Features

- Aptly named, Elegance Velvet is graceful and exudes fineness
- Cotton rag base with discrete texture- a timeless fine art classic
- Certified archival by an accredited third party for 100+ years display life
