

Technical Fact Sheet

Breathing Color 600MT Textured

<div>Our most robust textured watercolor paper for sumptuous display that offers incredible scuffing resistance making it easier to handle than any other textured fine art paper. Let 600MT's bright white 100% Alpha-cellulose blend capture the dimension of color as well as the artist's hand. The robust texture on this fine art paper is a perfect vessel for your painted reproductions. 600MT will dry quickly and is designed to prevent scuffing and flaking, keeping all your beautiful colors intact.</div>

Features

- Robustly textured for prints that are intentional or exaggerated
- Premium matte surface dries instantly but gives prints the appearance of "floating"
- 100% alpha-cellulose base for surprising depth and dimensionality
