

Technical Fact Sheet

Breathing Color Mint Smooth

Breathing Color Mint Smooth is a premium fine art inkjet paper made from 100% cotton rag with a bright white, near-matte smooth surface designed for professional photographic and art reproduction printing. The archival paper is acid- and lignin-free and rated for over 100 years of lightfastness, allowing artists and photographers to produce gallery-quality prints with excellent colour depth, tonal range and crisp image detail.

Features

- Compatible with all Eco-Sol and solvent inks
- Stable and lasting 100% cotton base with a mild smooth texture
- Rated for 100+ years light-fastness according to ISO standards
