## Breathing Color Mint Textured Art

Breathing Color Mint Textured Art is a bright white textured fine art inkjet paper designed for professional photographic and art reproduction printing. The near-matte textured surface adds natural depth and character to printed images while delivering a wide colour gamut and strong black density. The acid-free archival paper is rated for over 100 years display life, making it suitable for gallery prints, art reproductions and museum-quality photographic output.

---

### Features

- Compatible with all Eco-Sol and eco-solvent paper inks
- Stable and structured base with a robust texture
- Acid-free textured fine art paper is rated for 100+ years light-fastness according to ISO standards
