

Technical Fact Sheet

Glamour Matt

Glamour Matt by Breathing Color is a protective matt varnish for wide-format photographic and fine art prints, reducing glare while providing UV protection and scratch resistance for gallery-quality display. Easy spray application ensures consistent coverage for fine art canvas and photographic print applications.

Features

- Blend to find your signature sheen
- Certified for use with archival media for 100+ years display life
- Dilute with distilled water up to 30% when rolling & 50% when spraying
- Add water protection and depth of color in a single step
- Roll on for prints that won't rub off
- UV protected to prevent yellowing and fading

Technical Fact Sheet

- Manufactured in the U.S.A. | Austin, Texas
