

Technical Fact Sheet

GF 400 series

The GF 400 Series (GF 400 Gloss & GF 402 Matte) is a premium 5-year, 76- micron clear UV pressure-sensitive vinyl laminate designed to safeguard digital and screen-printed graphics. Engineered for superior resistance to ultraviolet degradation, it ensures long-lasting vibrancy and durability in both indoor and outdoor applications.

Features

Featuring a permanent adhesive on a smooth liner, this laminate is best applied through the cold laminating process, requiring no heat for seamless application. It offers exceptional protection against abrasion and moisture, making it ideal for exhibit and display graphics, signage, and other high-impact visuals.

With an outdoor durability of up to 5 years, the GF 400 Series provides a reliable, high-performance finish in gloss (GF 400) or matte (GF 402) to enhance and preserve your prints in any environment.
