

Technical Fact Sheet

3M 48C PVC Free

3M 48C PVC Free is a non-PVC film that offers you a sustainability edge, at an affordable price. A versatile intermediate film that combines excellent print quality with amazing ease of application and removal for graphics used as a promotional media. A single film that will replace all your excess inventory with one economical product.

Features

- Non-PVC film is GREENGUARD Gold certified
- Versatile to wrap everything from cars and boats to trailers and textured buildings
- With 3M™ Comply™ Adhesive, installation is quick, easy, and leaves a smooth finish
- Installs in a wider temperature range compared to most PVC films
- Offers excellent conformability, slideability, initial tack, and non-visible air release
- Designed to be printed with solvent and UV inks

Technical Fact Sheet

- Film use may be eligible for LEED v4 credits
- Removable with heat
- Recommended Graphic Protection: 8548G, 8549L, 8550M
