

Technical Fact Sheet

Hahnemühle Cézanne Canvas 430

Hahnemühle Cézanne Canvas is a heavy inkjet canvas made of pure cotton, with an elegant, finely woven surface texture. The natural white canvas contains no optical brighteners and boasts a beautiful, natural shade of white. Together with the premium matt inkjet coating, it produces outstanding print results with excellent reproduction of colour and detail, deep black and exceptional contrasts. Cézanne Canvas is acid- and lignin-free and meets the most exacting requirements in terms of age resistance. This heavyweight canvas impresses with radiant colours and deep blacks, down to the smallest detail which bestows FineArt prints an exceptional brilliance. Despite its heaviness, the canvas is extremely elastic and is highly compatible with canvas stretcher frames.
