

# Technical Fact Sheet

## Epson SC T-5760MFP

The SureColor T5760MFP is a multifunction technical printer that combines an extremely compact footprint with flexible media handling, a high print speed and a large format scanner for print, scan and copy functionality. It is designed for companies who want to produce colour drawings, posters and POS material in sizes up to A0 quickly and efficiently. This model is particularly suited to construction, retail and print-4-pay applications. It uses 6 inks that come in large cost-effective cartridges with an additional Red to enhance the colour gamut. Integrated high-speed hardware-based Postscript enables fast and accurate image reproduction via drag-n-drop from the desktop or direct from a USB device. It features dual-roll support with automatic loading and exchange. The 2nd roll can also be used as an Auto Take Up for Roll-To-Roll production with offline processing.
