

Technical Fact Sheet

Mimaki UJF-7151 Plus II

The Mimaki UJF-7151 plus II is a high-performance UV inkjet printer model with high accuracy, high image quality, and high speed, and is a further improvement in quality and stability from the current model, the UJF-7151 plus, which offered high accuracy and high image quality in addition to class-leading productivity and stability. It offers new expression with the color gloss function, high-definition printing at 1800 dpi, and the ability to automate workpiece transport with "Mimaki original MDL (Mimaki Device Language) commands".

Features

- High production
- High speed printing of up to 8.0m²/h
- Printhead configuration: High productivity and high image quality are realised by installing 8 heads, 2 more than the current model
- Colour Gloss Function - Glossy texture realised without using a clear ink
- High-definition printing - 1800 dpi maximum, MFD2
- Ink landing system: 1800 dpi maximum

Technical Fact Sheet

- Ball screw mechanism: Mechanical structure for high precision printing
- Improved image quality by supporting MFD2 (Mimaki Fine Diffusion 2)
- Mimaki Advanced pass System 4 (MAPS4)
- Reliable operating support package
- Printhead ink-circulation system reduces clogging nozzles
- NCU automatically detects and recovers clogged nozzles
- NRS for maintaining productivity
- Highly functional inks realise a variety of expressive effects and printing stability: Metallic, White, Clear and Primer
- Connected digital printing
- Supports MDL (Mimaki Device Language) commands to automate the printing process

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
