

Technical Fact Sheet

Mimaki TX300P-1800B

The Mimaki TX300P-1800B is specifically designed to address the need in textile and apparel industries for printing on sheer fabric and stretchy materials such as knits. The entry model, which does not require a screen print, is a powerful product for small-scale and various on-demand customer's needs.

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
