

Technical Fact Sheet

ALC Shield

The Shield Laminator is fantastic for anyone in the car wrapping industry. This machine comes with a built-in compressor allowing users to achieve the exact required pressure for the car wrapping warranties. Don't Guess. Make sure you know exactly the amount of pressure you're applying with a pneumatic laminator.

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
