

Technical Fact Sheet

Mimaki LA-160W

The Mimaki LA-160W is a heat-assisted, large-format laminator that improves laminate film adhesion, particularly to surfaces printed with UV-LED ink

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
