3M Safety S140

<div>Protect your property even on a budget. From break-and-enter crimes to accidents and natural disasters, 3M Safety Security Window Films provide precious time by helping to deter unwanted individuals from entering your home, protecting families and belongings. Can bring glass up to AS2208 Safety Standards. Available in 4 thickness versions (S40, S70, S80, S140) to increase security, while providing added protection against smash and grab burglaries. These clear, single-layer polyester films rely on thickness to provide additional security benefits. Glass doors and windows are among the most vulnerable points of entry into homes and also pose one of the greatest dangers to your family when the glass is broken. 3M Safety and Security Window Films are designed to hold broken glass in place and help prevent flying shards of glass from harming your family and damaging property. You can improve the overall performance of 3M Safety Security Window Films with the addition of 3M Impact Protection Attachment Systems. CONSUMER WARRANTY: Selecting 3M Window Films gives you piece of mind. That's because we have one of the most comprehensive warranties you can get backed by a company you know and trust. 3M Window Films come with a limited-lifetime warranty when professionally installed on your home.</div>
