

# Technical Fact Sheet

## 3M Black Chrome

3M Automotive and Flat Glass Black Chrome series incorporates an all-metal technology with a classic reflective appearance to keep you cool and protected from the sun's heat and ultraviolet rays. The Black Chrome BC40 rejects up to 47% of the total solar.

---

### Features

- Give your car the cool factor. The Black Chrome Series offers the ultimate in privacy while providing excellent heat rejection
- Creates a unique look to your vehicle, with higher exterior reflectivity
- All metal technology keeps you cool and protects from the sun's heat by rejecting up to 72% of the total solar energy coming through your windows
- Blocks up to 99% of ultraviolet (UV) light to provide sun protection for you and your passengers
- An all-metal film construction means these films will never fade to purple and will retain their integrity
- Offers reduced glare from sunlight so you can see better on concentrate more on the road

# Technical Fact Sheet

- Sold and installed by 3M™ Installers, our films are durable, virtually maintenance-free and backed by a limited lifetime warranty

---
