

Technical Fact Sheet

3M Aerosol Cleaner 700 (P)

Scotch® Adhesive Cleaner and Solvent 700 is a versatile, general use solvent that comes in a convenient aerosol spray can with an extension tube for accurate control and to reach hard-to-get-at places. It cleans and prepares surfaces for adhesive bonding including the removal of oil and grease contamination. It has a pleasant scent which helps maintain a satisfactory work environment. Scotch® Adhesive Cleaner and Solvent 700 is ideal for most clean-up work in artwork production.

Features

- Versatile general use solvent packaged in aerosol form for quick, economical clean-up of the Scotch Brand Aerosol Adhesive range
- Useful for cleaning contaminated surfaces prior to bonding and for dismantling of previously bonded articles by softening the adhesive
- Non damaging to most surfaces and leaves no solvent ring or mark on artboards
- Controlled drying rate
- Softens many types of older tape adhesive residue permitting their clean up
