

Technical Fact Sheet

3M Di-Noc Premium Wood

3M™ DI-NOC™ Architectural Finishes ("the Product") are decorative surface finishes for interior applications, available in over 900 designs. 3M™ DI-NOC™ designs offer the warmth of wood grain, the sleek feel of metal, the cool essence of natural stone, pure color, and hundreds of other designs. The MT Matte Series has a new, state-of-the-art, matte surface, offering realistic textures and the appearance of natural materials and rich, solid colors. E-Series RC Recycled Content* Film products have a base film layer made with 80% post-consumer recycled polyester and a colored layer made with 20% scallop shell powder as a bio-based filler. E-Series RC Recycled Content* Film and select other Products have a liner with a base paper made from 40% recycled pulp and printed with ink containing 10% biomass derived material.

Features

- 900+ patterns, colors and textures for more design freedom
