

Technical Fact Sheet

3M Crystalline 60

3M Automotive Window Film Crystalline Series rejects more heat than many dark films without changing the appearance of your vehicle, making it the superior choice for comfort. Rejection of up to 62% of the total solar energy and up to 97% of the heat-producing infrared rays gives you the ultimate in comfort. Available in several VLT's (20%, 40%, 50%, 60%, 70%, 90%*). The Crystalline Series features a proprietary, multilayer optical film nano-technology that combines over 200 layers in a film that is thinner than a Post-Note. The Crystalline Series is designed to enhance your view by allowing visible light into your vehicle while keeping heat out, so you can see clearly through your windows and maintain your vehicle original appearance. The Crystalline Series is a non-metallized window film that won't interfere with mobile devices, GPS or satellite radio reception. The Crystalline Series reduces up to 77% of the glare from blinding sunlight, allowing you to see better and concentrate more on driving. Blocking up to 99% of ultraviolet (UV) light. Comprehensive Auto warranty from 3M (Limited Lifetime for original owner).

Features

- A clear breakthrough in automotive window films. The Crystalline Series rejects more heat than many dark films without changing the appearance of your vehicle, making it the superior choice for comfort
- Features a proprietary, multilayer optical film technology which can reject more heat than darker films
- Light tint rejects up to 60% of solar energy and up to 97% of heat-producing infrared rays

Technical Fact Sheet

- Designed to enhance your view by allowing visible light into your vehicle while keeping heat out, so you can see clearly and safely
- Non-metallised window film lets you stay connected with mobile devices, GPS or satellite radio reception without interference
- Spectrally-selective films that block up to 99% of ultraviolet (UV) light to keep you and your passengers cool, comfortable and protected
- Sold and installed by 3M Installers, our films are durable, virtually maintenance-free and backed by a limited lifetime warranty

Important Note

All statements, technical information and recommendation are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties of merchantability and fitness for the purpose: Sellers and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
